

## **Suzanne Wilson**

Suzanne Wilson is a professor and chair of the Department of Teacher Education and director of the College of Education's Center for the Scholarship of Teaching at Michigan State University. Her work spans several domains, including teacher learning, teacher knowledge, and the connection between educational policy and teachers' practice. She has conducted research on history and mathematics teaching and has reviewed the literature on teacher professional development and teacher education. Her current work focuses on developing sound measures for tracking what teachers learn in teacher preparation, induction, and professional development programs. Her areas of expertise include curriculum policy, history of teachers and teaching, mathematics reform, teacher assessment, teacher education and learning, teacher education policy, educational general and reform policy, scholarship of teaching, and the teaching of history.
